Listed below is a summary of the areas (and your ranking in those areas) in which you have been awarded Top Scholar status based on your accomplishments over the totality of your career (lifetime) and/or over the prior five years:

#### **Top Scholar - Lifetime**

#2,426     [Control theory](#)

ScholarGPS provides rankings of individuals and institutions Overall (in all Fields), in 14 broad Fields (such as Medicine, Engineering, or Humanities), in 177 Disciplines (such as Surgery, Computer Science, or History), and in over 350,000 Specialties (such as Cancer, Artificial Intelligence, or Ethics).

You can view the profile of [University of Calabria](#) to see Highly Ranked Scholars, Top Scholars by Field/Discipline/Specialty, Highly Cited Publications, and your institution's rankings in various Fields, Disciplines, and Specialties. Note that Highly Ranked Scholars are the most productive (number of publications) authors whose works are of profound impact (citations) and of utmost quality (h-index). The scholarly contributions of Highly Ranked Scholars position these eminent individuals within the top 0.05% of all scholars worldwide.

We also offer you free access to [Highly Ranked Scholars](#), [Top Scholars by Institution](#), [Top Scholars by Expertise](#), and [Top Scholars by Country](#) by ranking order in All Fields, by Field, by Discipline, or by Specialty as determined by ScholarGPS. We also currently offer complimentary ScholarGPS [Institutional Rankings](#).

After registering and claiming your profile for free, you will be able to make several edits if needed. These include modifying your affiliation and affiliation history, changing Disciplines, and managing archival publications with DOIs by adding or deleting publications from your profile as needed.
